with having committed the offense of

**THE PARTIES, THE SCHEME, THE ENTERPRISE, AND THE PATTERN OF**  
**RACKETEERING ACTIVITY**

1. At all times relevant, Defendants Ronald D. Bartlett and Lee Bartlett (collectively "Defendants" or "Bartletts") owned and operated several businesses in Peach County and other counties in the State of Georgia including Captain Jack's Crab Shack ("Captain Jack's") located at 107 Chapman Road, Byron, Peach County, Georgia; Friend's Bar & Grill ("Friends") located at 7405 Industrial Highway, Macon, Bibb County, Georgia and Chevy's (Chevy's") located at 1229 Russell Parkway, Warner Robins, Houston County, Georgia.
2. Beginning in or about January, 2013, the exact date being unknown to the Grand Jury, and continuing through in or about May, 2015, the Defendants did

- knowingly execute a scheme, in Peach County and other counties, whereby they operated purported legitimate businesses at which the Defendants placed Gambling Devices for purposes of illegal gambling at the Captain Jack's location.
3. The Gambling Devices ("Gambling Devices") placed at Captain Jack's are illegal Gambling Devices or, alternatively, considered Gambling Devices in that they were being operated by the Bartletts in an illegal manner.
4. The Gambling Machines are purportedly legal and permissible Coin Operated Amusement Machines ("COAMs"). In fact, the Gambling Machines are Gambling Devices and are illegal *per se* or are being operated in an illegal manner.
5. At all relevant times, there were nine (9) Gambling Devices placed at Captain Jack's; eight (8) placed at Friend's and six (6) placed at Chevy's.
6. The Gambling Devices, which resemble "Slot Machines," were placed at Captain Jack's, Friendly's and Chevy's for the purposes of providing a place for customers ("Customers") to illegally gamble.
7. Customers who play the Gambling Devices insert cash into the Gambling Machines to gamble, select one of two or three games to play, place their bets, and hit the play button.
8. Depending on how the virtual reels stop during a play, the Customer could win or lose or have the opportunity to win or lose on every spin.
9. Games on the Gambling Machines include ways of winning that require no skill whatsoever.
10. The Defendants used a device at Captain Jack's known as a "Mutha Goose" to

- electronically transmit gambling information such as bets and winnings to a central location typically behind the counter at the gambling location.
11. The winnings and other gambling information would be electronically transmitted to the clerk via the "Mutha Goose" so that the clerk would know how much to pay the Customers.
  12. At all times relevant hereto and prior to July 1, 2015, the Defendants paid themselves the monies derived from the illegal gambling activities described herein.
  13. At all relevant times, the Defendants were required under State law to self-report the amount of money played on the Gambling Devices and the net profit realized from the Gambling Machines on a monthly basis.
  14. Based on the monthly self-reporting documents submitted to the State of Georgia by the Defendants for the period from October, 2013 through April, 2015, Captain Jack's Customers inserted over \$1,235,268.00 cash into the Gambling Machines in order to play the Gambling devices and gamble; \$837,092.00 was purportedly redeemed for prizes and \$398,176.00 was the purported net profit derived from the Gambling Machines.
  15. Based on the monthly self-reporting documents submitted to the State of Georgia by the Defendants for the period from October, 2013 through June, 2015, Friend's Customers inserted over \$1,754,595.00 cash into the Gambling Devices in order to play the Gambling Machines and gamble; \$1,305,295.00 was purportedly redeemed for prizes and \$449,229.00 was the purported net profit derived from the Gambling Machines.

16. Based on the monthly self-reporting documents submitted to the State of Georgia by the Defendants for the period from October, 2013 through June, 2015, Chevy's Customers inserted over \$1,449,606.00 cash into the Gambling Devices in order to play the Gambling Machines and gamble; \$1,020,167.00 was purportedly redeemed for prizes and \$429,439.00 was the purported net profit derived from the Gambling Machines.
17. In order for it to be able to have the Gambling Devices located at its places of business, the Defendants on behalf of Captain Jack's, Friend's and Chevy's applied for and maintained COAM Location Licenses issued by the State of Georgia on an annual basis. Defendants submitted an annual Coin Operated Amusement Machine Application ("COAM Application") swearing under oath as to the truth and correctness of the application being submitted. Separate annual COAM Applications were submitted by the Defendants for each of their three businesses.
18. Defendants made false reports on their 2013 and 2014 COAM Applications in that they falsely swore that they were not delinquent in taxes owed to the State.
19. Defendants made false reports and under-reported their income with regard to the monies derived from the illegal gambling on their 2013 and 2014 income Georgia Tax Returns.
20. The Defendants engaged in an interrelated pattern of criminal activity motivated by and the effect of which was pecuniary gain.
